Adults bowl for cash – kids bowl for scholarships. People can also bowl in 2 or 3 different events, at a cost of \$20.00. Example: Dan could bowl at 1:00 in the scratch tourney for free, bowl in the men over average at 3:30 at a cost of \$20.00, then re-enter the men over average at 7:30 because he bowled so bad - at a cost of \$20.00,

Capri will feed everyone between 6:00 – 7:00

The drawing for the summer prizes will start at 7:00pm – need not be present to win.

All day long, people will be entering their names on business card forms we have ordered to try and win prizes. All the prizes will be displayed with an entry box in front of them. People will get as many free entries as weeks they have bowled this summer – Example; Dan bowls on Monday and the league is 14 weeks long. He will get 14 free entry cards to put in any box he wants. Dan may put 10 cards in the box for the 50” HDTV, and his other 4 tickets into the box for the storm bowling ball. The rest of our summer league bowlers will get 16 entries, because their leagues were 16 weeks long.

Throughout the day - we will pass out all summer league awards including prizes, plaques, cash, scholarships etc.

At 7:00, all tickets must be entered, and we will draw for all prizes – bowlers do not have to be present to win.

At 7:30 the last squad will start. All tournament payouts will be available after NOON Sunday, August 29th.
